

# Family Trivia Game

Each person takes a turn to answer the question—  
it should start everyone reminiscing!

**1. What was your favorite family vacation? Why?** (Each person chooses theirs for a different reason.)

*Example: I remember my dad falling in the river while untangling my brother's fishing line from a tree branch! We all helped dry out the treasure trove from his wallet-things we'd never seen before!*

**2. What was the best meal you ever ate together?** (can be home, picnic, restaurant, celebration, etc)

*Example: One of our family favorites was a vacation supper-staying in a hotel and eating Publix fried chicken, veggies, and fruit-picnic style (with our fingers)!!!!*

**3. What is one of your family's holiday traditions?** (any holiday) If you don't have traditions (doing the same thing again and again), start some!!

*Examples:*

*We like 'party food' while decorating the Christmas tree-veggies and dip, cookies, cheese and crackers, mini hot dogs-and it's the only time kids are allowed to eat in the living room!*

*Halloween is always carving pumpkins-as the kids get older, they can do it themselves!*

*Birthdays are drawing/writing on the bathroom mirror with special markers to greet the birthday person with a surprise message!*

*Easter is coloring eggs together.*

**4. Come up with your own trivia questions!**

The idea is to get your family to start talking and sharing,  
laughing, arguing about who has the best, more real,  
or totally mixed up memory!
